

New App: Demosphere International, Inc

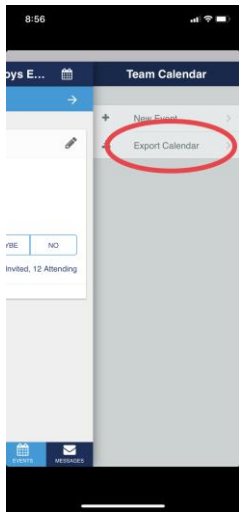

1. To link your calendar, open the app and select the team you want.
2. Click on “Events”

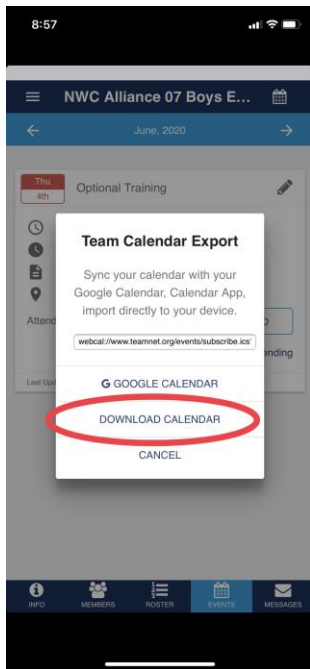

3. Click on the “calendar” in the upper right

4. Click on "Export Calendar"

5. Click on "Download Calendar"

You will then be asked if you want to subscribe or download.

- If you subscribe anytime I update the calendar on the app it will update your personal calendar.
